## MEMBERSHIP BENEFITS

1. Networking opportunities with the owners and employees of the tour and charter motorcoach companies who are members of the Association. Operator membership now totals 25 companies and Tour Operator membership totals 1 company.
2. Networking opportunities with the associate members. Associate members are defined as service companies, tour destinations, attractions, hotels, restaurants, etc. Associate membership is now approximately 166 companies and new applications are being received daily.
3. Members will receive a listing in and a copy of the membership directory. Members are eligible to advertise in the directory.
4. Members will receive a quarterly newsletter. Members are also eligible to advertise in the newsletter.
5. Members only will be allowed to attend and participate in the Annual Meeting and Market Place. Market Place is the SCMA "trade show." Market Place is conducted so that the associate members visit the company owners/employees rather than the associates having an exhibit booth. Associates are allowed to bring any literature or other materials to demonstrate the desirability of the service, destination, attraction, etc.
6. The tour/charter motorcoach business represents a major portion of the hospitality industry economy, and members benefit from any lobbying or research done on behalf of the industry by the Association.
7. The Association promotes high standards of ethics for its members. Operator, Tour Operator and Associate members are required to sign a code of ethics when applying for membership.
8. Members are listed on the Association's website.
9. SCMA members have an opportunity to benefit from a free Web Banner Ad. Space for the banner ad is available for one month on our home page and can be linked to your company's web site. For specifications please visit the SCMA web site or email [angie@brookneal.com](mailto:angie@brookneal.com).
