SOUTH CENTRAL MOTORCOACH ASSOCIATION

MEMBERSHIP BENEFITS

Professional Association Management Team

SCMA's professional association management team has over fifty years of combined experience in the motorcoach industry. The management team has built a strong relationship with both United Motorcoach Association and American Bus Association since inception to create an extension of the team to assist you in your business growth based on industry research, up-to-date communications, and reports of congressional activity and federal motor carrier regulations.

Promoting safety among operators in the industry

SCMA is not a "policing" organization; however, members of SCMA are expected by voluntary signature on the SCMA Code of Ethics to comply with industry rules and regulations by state and federal agencies. SCMA members have opportunities to attend seminars by knowledgeable industry leaders.

Training and education for members on issues that impact our industry

SCMA provides educational opportunities through operator meetings and Annual Meeting and Market Places.

Networking to build business relationships

SCMA provides members the opportunity for networking with other operators and coach specific providers at annual operator meetings, and at the Annual Meeting and Market Place operators have the opportunity to network with fellow operator members and associate members representing attractions, hotels, theaters, destinations, restaurants, coach specific vendors, as well as tour operators and tour receptives.

Promoting public awareness of the motorcoach industry

SCMA works cooperatively with other industry organizations such as American Bus Association, United Motorcoach Association, and the Motorcoach Council to promote motorcoach travel nationwide.

Creating unity for common goals

SCMA's Board of Directors and staff believe there is strength in numbers. A task one member may find difficult to address alone, all members working together through the Association may accomplish. Whether the issue is local, state or federal in nature, there is strength in one voice speaking for many.

Creating a forum for sales and marketing

SCMA provides an annual market place for operators and vendors to network and participate in a formal buyer/seller forum.

Promoting cooperation among operators and associates

SCMA promotes the idea of members working with members, which is one of the greatest benefits of association membership. The industry is all about relationships and SCMA provides several forums for networking to build relationships, which promotes cooperation among its members.

Advocating legislation that positively impacts the motorcoach industry

SCMA's Board of Directors promote legislation to enhance the motorcoach industry in Arkansas, Louisiana, Mississippi, and Texas. SCMA invites key personnel from American Bus Association and United Motorcoach Association to annual meetings and operator meetings to keep members abreast of national legislation that affects the motorcoach industry. SCMA routinely communicates information throughout the year to its members to keep them informed of legislative action needed, such as writing letters to state legislators or Congressmen to support or oppose legislation that impacts the motorcoach industry.
